ISAAC HILL BUILDING PLOT

A large building plot of 1.16 acres (50,500 sq ft ; 0.48 Hectares) in the peaceful residential community of Isaac Hill, just a few minutes' drive from all the bustle and amenities of English Harbour.

This plot benefits from superb easterly sea views over the serene turquoise water of Mamora Bay, protected by a coral reef, and cooling tradewind breezes.

A sheltered white sandy beach is just steps away.

Mains electricity is adjacent the plot and with the advent of solar energy and Starlink, living totally off-grid is now a reality in Antigua.

New listing USD 555,000.
